INSTITUTION'S INNOVATION COUNCIL

In association with

Post Graduate Department of Commerce & Management
The Programme Proceedings

Seshadripuram First Grade College, Institution's Innovation council in association with Postgraduate Department of Commerce & Management is organized a Workshop on "The Impact on Current Innovations towards IPR in India" on the commemoration of 'World Intellectual Property Rights Day' on 26th April 2023 at 10am by Resource person Dr. Agalya V, Professor & Associate Head (R&D) IIC President & Innovation Ambassador, MOE's Innovation cell, New Horizon College of Engineering, Bengaluru. The programme enlightened on the importance of Entrepreneurship in current sustainable world. The main objective of the workshop is to be a Job provider not Job seekers and to manifest Inventions, Innovations & Idea generation through uniqueness of their products and protecting that product through Intellectual Property rights. The speaker started the session by telling the Importance of current impact on innovations towards IPR to promote & provide new knowledge in bringing through Industrial Property, Trademarks, Copyrights, research & Innovations to navigate and understand patent laws. The speaker focused in spreading awareness & facilitating support in building a strong IPR Ecosystem. The workshop had contained with a number of activities to project students with Idea generation, Innovation, designing a product, Trademarks and how to apply for IPR. The overall programme was very productive, informative and well received by all the participants. The outcome of the programme is to provide exclusive rights to the students and to protect the interest of the creator & encourage young entrepreneurs to create a market for the invention as a whole.
